OWN THE DARK

City streets or jungle trails — wherever you go, the T2 cuts through the darkness so you stay in command.

**EVERY DETAIL,
PERFECTED**

READY FOR MORE

Offering 580L of luggage space, expandable to 1,494L with the rear seats folded, the T2 is built to carry more for every journey. Paired with an Electric Suction Back Door for effortless closing, loading and unloading is always smooth, secure and convenient.

BOLD WHERE IT COUNTS

Striking by design, the T2's 19-inch alloy wheels are engineered to deliver both comfort and performance without compromise.

The image shows the front interior of a car. The dashboard is wide and features a large central touchscreen displaying a vehicle interface with a 3D model of the car and various settings. The steering wheel has a silver and black design with the 'ST' logo. The center console has a gear shifter and handbrake. The seats are black with a patterned texture and red stitching. The car is parked on a gravel surface with mountains in the background under a sunset sky.

COMFORT, COMMAND, CONTROL

With a generous cabin space, the T2 isn't just built for comfort, it's built to dominate.

PROTECTION FROM ALL SIDES

With 6 SRS airbags positioned throughout the cabin, the T2 delivers comprehensive protection for every passenger, keeping you safer from every angle.

SMARTER SAFETY, EVERY SECOND

Advance Driving Assistance System (ADAS) Level 2 works alongside you with intelligent assists. From lane keeping to adaptive cruise — reducing risks, enhancing awareness, and elevating every drive with confidence.

SEE EVERYTHING, MISS NOTHING

The panoramic view monitoring system gives you a complete view around and beneath your vehicle, making tight spaces, tricky angles, and tough terrain easier to navigate than ever.

STRENGTH THAT STANDS ITS GROUND

A reinforced steel-cage body forms the T2's core, engineered to absorb impact and protect the cabin, giving you uncompromising safety where it matters most.
