

Exploring Boundless Possibilities

Whether you're navigating city streets or escaping to the outskirts, the Jetour VT9 opens new possibilities for you and your loved ones. Built for those who never settle, it proves ambition and practicality can move together.

Timeless Inspirations. Brilliantly Lit.

Inspired by the graceful rooflines of traditional Chinese architecture and the warm glow of classic lanterns, the VT9's LED Headlights and Daytime Running Lights reimagine heritage with a modern edge.

Bold V-Shaped Front Grille

The refined 3D feather-inspired grille brings a bold, dynamic presence to every drive — because every great family journey should start with a confident hello.

1.5L Turbocharged Engine + 6-Speed DCT

With a smooth and responsive 156PS of power, its turbocharged engine is built to handle your daily errands, spontaneous road trips, and everything in between.

Be In Full Control With Intelligent Voice Command

10.25-Inch LCD Smart Twin Screen

Clear visuals and effortless connection with Apple CarPlay™ and Android Auto™ that keeps everything in sync while you drive.

Multifunction Steering Wheel

Helps you navigate your day with ease while keeping all the essential controls right at your fingertips.

12V Sockets & USB Ports

Power, everywhere you need it. With strategically placed 12V Sockets and USB-A ports in the front and back, the VT9 lets you charge any device effortlessly.

Smart Centre Console With Wireless Charging

Welcome to the centre of control. Shift gears with confidence, take command of the screen with the intuitive rotary dial, and keep your phone fully charged with the 50W wireless charging dock.

Power Folding Side Mirrors

Mirrors that tuck in when you need them to—making parking easier for those tight moments.

Powered Tailgate

Access your trunk the easy way every time with just a touch—so you can load up and head out without the fuss.

Expandable Trunk Space

Easily expand from 89L to 1,680L of space with the rear seats down so you're always ready to bring more possibilities to the adventures ahead.

Length: 1,300mm
Depth: 1,890mm
Height: 780mm

Many Ways To Fold. Endless Ways To Go.

A Silhouette That Speaks Volumes

Sculpted contours, a bold front, and a rising rear give the VT9 a side profile that's both dynamic and undeniably elegant.

Length: 4,724mm
Width: 1,900mm
Height: 1,720mm

Make Every Exit Brilliant

From sleek LED Taillights with a 3D floating effect to the captivating LED Sequential Rear Turn Signals, the VT9 commands attention and leaves a lasting impression. Even when the lights are off.

Dual Twin Tailpipes. Style Amplified.

Crafted for distinction, the dual twin tailpipes accentuate the VT9's modern edge with a polished, sporty flair.

Comfort That Moves With You

Perforated leather front seats that hug you in cooling comfort while adding an exclusive, premium touch to your drive.

Soft-Touch Interior Finishes With Fine Stitching

Power Adjustable Seat With Memory Setting

Save your perfect driving position just the way you like it for every drive ahead.

Exclusive to the Prime model only.

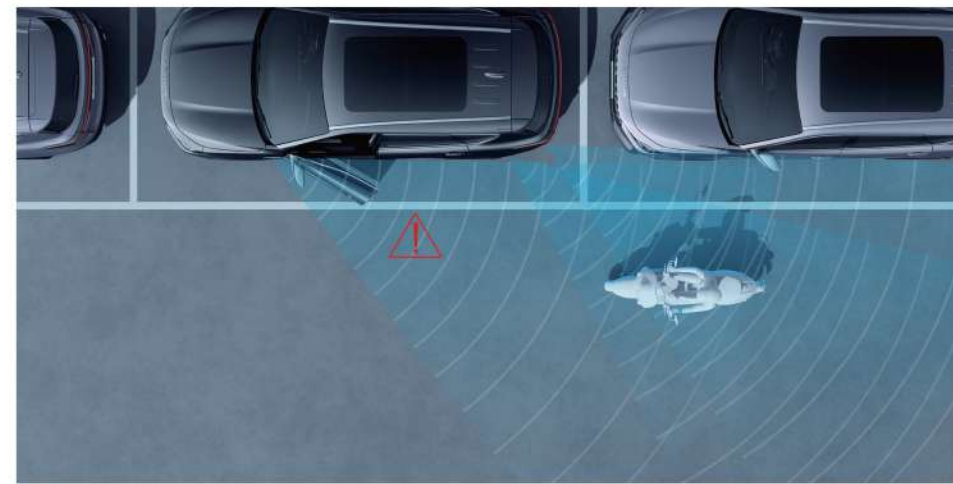

Rear Seats With Integrated A/C Vents

Keep your passengers cool and comfortable with rear A/C vents, and powered up with built-in USB ports.

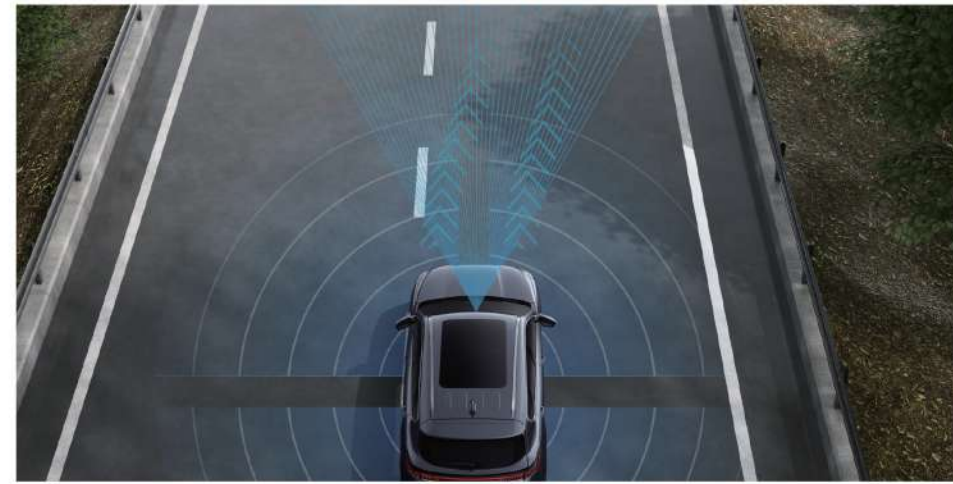

62-Inch Wide-Angle Panoramic Sunroof

A sweeping 62-inch opening that invites the sky in, giving you and your loved ones more to take in together.

Door Open Warning

Before you step out, the VT9 steps in. It intelligently detects approaching vehicles as you open the door to warn you of danger.

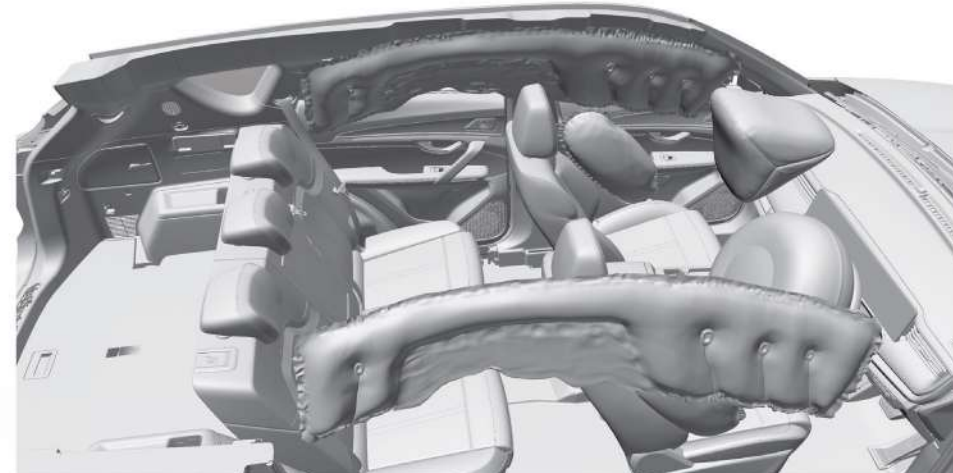

Lane Change Warning

Advanced sensors deliver instant alerts, keeping you aware of your surroundings and a step ahead with every lane change.

Blind Spot Detection

Stay aware of what you can't see. The Blind Spot Detection system alerts you to hidden vehicles on the road, making every drive safer.

Airbags

6 airbags, placed where it matters most. Protecting you when the unimaginable strikes.

Exclusive to the Prime model only.
